Letter No.89 dated the 17th April 1911 from the ---- Chairman, Mysore City Improvement Trust Board, to the ---- Secretary to the Government of His Highness the Maharaja of Mysore, Gen. and Rev. Departments.

I have the honour to report that out of the amount of Rs.2,53,335 provided in the current year's sanctioned budget of the Mysore City Improvement Trust Board for both acquisi--tion and construction works, a sum of Rs.1,26,835 represents the amount allotted for construction works only. The ----- revised comprehensive scheme for the laying in of underground pipes forwarded to the Chief Engineer for scrutiny and ---- submission to Government for sanction, even if sanctioned, may not admit of sufficient time to take them up for ----- execution before the close of the current official year and it is therefore proposed to utilize Rs.1,10,705 surrendered by the Executive Engineer for acquisition work.

2. Under acquisition a sum of Rs.30,873 has been -- spent up to end of March 1911 for payment of compensation -- for properties acquired including of course their demolition charges against the total provision of Rs.1,26,500, the --- allotment for acquiring properties in the Fort alone being Rs.80,000/-. Since the allotments under the remaining heads

heads are not likely to be spent in full within the official year, savings to the extent of Rs.20,000 may be anticipated from them.

3. The said amount with Rs.1,10,705 likely to be -- surrendered out of the allotment for construction works, -- i.e., Rs.1,30,705, is proposed to be utilized for the ----- acquisition of properties in the Fort.

4. Under the above proposal, the allotment for ---- " Improvements in the Fort " for the year 1910-1911 will -- rise to Rs.2,10,705. It may here be mentioned that out of the total estimated amount of Rs.6,13,086 sanctioned for -- this project, the Government have already been pleased to -- accord sanction to an expenditure of Rs.3,35,628, including the provision of Rs.80,000 in the current year's budget and that out of this grant, a sum of Rs.3,19,843 has been spent up to end of March 1911.

5. I solicit sanction of Government to the said ----- proposal pending the submission of the necessary re-appropri--ation statement in due course.
